

Helianthus

A Gala to Benefit The Kansas Children's Foundation

**Saturday, October 19
6 to 9 PM
MarkArts, Wichita**

The Kansas Children's Foundation annual gala, Helianthus, will take place on Saturday, October 19th at the beautiful MarkArts venue in Wichita. Each year, more than 300 guests come together to raise funds for programs and services that help Kansas pediatric patients. Whether illness or injury, we are here to help families who are facing unthinkable circumstances.

The live and silent auction is an important part of the evening, and our guests are always eager to see and bid on the assortment of donated items. We limit our live auction to 8 packages and our silent to 30 packages and promise to bring fun and value to the night.

Would your company be willing to donate an item to include in our expertly curated auction?

Donating an item that best represents what your store has to offer is a great way to showcase your brand and help children at the same time! Your company will be acknowledged through signage placed next to the item you donated.

All dollars raised go to providing the health, safety and happiness of sick and injured children across Kansas. We know you receive many requests and would be honored to have your partnership. Thank You!
